RAJ

Aspiring Software Developer

☎ (+91) 7490905993   @ Gmail   % AccioJob   % LeetCode   in LinkedIn   ◯ GitHub

PROFESSIONAL SUMMARY

Aspiring Software Developer with experience in front- and back-end development, data structures, and algorithms. Passionate about building scalable applications and solving complex coding problems. Strong expertise in Java, JavaScript, and Web technologies. Looking for opportunities to contribute and grow in a dynamic software development role.

EXPERIENCE

Software Developer Intern

AccioJob Pvt Ltd

📅 Oct 2024 – Mar 2025

- Developed efficient algorithms using Data Structures and Algorithms.
- Implemented recursion, dynamic programming, and graph theory.
- Solved 500+ coding problems on LeetCode, GeeksforGeeks, and AccioJob, enhancing logical thinking.
- Optimized API performance and back-end functionality.

Frontend Web Developer

AIISMA LLC

📅 Aug 2023 – Sep 2023

- Developed interactive web applications using JavaScript, HTML, and CSS.
- Ensured responsive UI/UX designs and cross-browser compatibility.
- Collaborated with designers and back-end developers.
- Used Git and GitHub for version control and agile development practices.
- Certificate

SKILLS

- **Programming Languages:** Java, JavaScript
- **Web Development:** HTML, CSS, Bootstrap
- **Database Management:** SQL
- **Version Control:** Git, GitHub
- **Core Skills:** Data Structures and Algorithms, Problem-Solving, System Design, Communication, Creativity, Adaptability, Collaboration, Team Leadership, Critical Thinking.

INTERESTS

Passionate about learning new technologies, software development, and solving complex coding problems.

EDUCATION

Bachelor of Computer Application

Parul University

📅 2022 – 2025

Higher Secondary Certificate

C.S.H.P Memorial Public School

📅 2021 – 2022

PROJECTS

Tic-Tac-Toe

HTML, CSS, JavaScript

- Created an interactive Tic-Tac-Toe game with real- time player interactions and dynamic win detection.
- Implemented dynamic win detection.

Portfolio

JavaScript, HTML, CSS

- Designed and developed an animated portfolio to showcase skills and experience.
- Integrated smooth scrolling and interactive user interface components.

To-Do List

JavaScript, HTML, CSS

- Built a feature-rich To-Do List app with task management functionalities (add, edit, and delete task features).
- Implemented local storage for data persistence.

CERTIFICATIONS

- JavaScript for Beginners - Simplilearn
- HTML Certificate - KG Coding
- Cloud Computing - Parul Institute of Computer Applications
